

PHIFER PAVITT
Date Night
Napa Valley

Phifer Pavitt 2011 “Date Night” Cabernet Sauvignon, Napa Valley (\$80) Dark cherry-cedar and eucalyptus are the bouquet he brings to the door on date night. In fact, this tall, dark and handsome red is dressed to the nines in plum, currant, licorice and Worcestershire, indulging the palate in sweet talk which soon evolves to a spicy brooding, mysterious nature. But, like all great dates, it ends in kisses. I’ll give it four: 94
