These are big wines for drinking now or aging in the cellar

....an interesting and quite enjoyable collection of American reds....

2010 Phifer Pavitt "Date Night..." Napa Valley cabernet sauvignon (\$80). A big, lean, tight wine that is worth the wait when it opens up. It has cassis on the nose, and the flavors are of extra-ripe blackberries, tight tannins, and some bitter chocolate. If you like to taste a wine evolve in the glass, plan to spend 30 minutes or so with this one.
